**HOSPICE HAWAII HIRES NEW DIRECTOR OF CLINICAL
OPERATIONS**

HONOLULU (July 8, 2013) – Hospice Hawaii has hired Fay Van Fleet as director of clinical operations, where she will be responsible for the coordination and delivery of patient services and overall clinical leadership.

Van Fleet joins Hospice Hawaii with over 15 years of healthcare leadership experience. Most recently, she was the director of patient care South Region at the Hospice of Palm Beach County. Prior to this, she held positions as nurse manager at JFK Medical Center in Florida; clinical director of the South Florida Bone Marrow and Stem Cell Transplant Center; and clinical manager of Gambro Healthcare Services in Florida.

“We are pleased to welcome Fay as a member of our team,” said Kenneth L. Zeri, RN, MS, president and CPO of Hospice Hawaii. “She brings a wealth of experience to her role as director of clinical operations and is passionate about cultivating a healthy work environment and providing quality care to our patients and their families.”

Van Fleet holds an A.S. and B.S. in Nursing and M.S. in Leadership. She is a member of the National Hospice and Palliative Care Organization, and was a presenter and panel speaker at the organization’s Management and Leadership Conference.

About Hospice Hawaii

Serving the community since 1979, Hospice Hawaii specializes in providing comprehensive, interdisciplinary care to patients with life-limiting illnesses and their families in the comfort of their own homes. Hospice Hawaii also offers care in a home-like setting in Kailua. Created by the community and governed by a local board of directors, Hospice Hawaii strives to meet the physical, emotional, psychosocial,

and spiritual needs of patients with quality end-of-life care. For more information about Hospice Hawaii, visit www.hospicehawaii.org.
